

INFINITY

117-Foot Luxury Yacht
130-Person Capacity

Experience the art of luxury cruising along the international waterway of Lake St. Clair and the Detroit River. Our yachts are rare – custom-built and designed specifically for entertaining.

Both yachts feature a flat bottom structure for smooth cruising, and ample space to host a variety of entertainment options. Our salons accommodate all the traditional essentials for special events, such as platforms for toasts and speeches.

Welcome your guests aboard Infinity, an expansive 117-foot bi-level yacht, trimmed in warm bamboo accented with stainless steel. Every inch of Infinity is designed for leisure and comfort, with ample dining space, a state-of-the-art gourmet galley and an extended bow deck for intimate seating. Infinity's Admiral's Salon features a relaxed and refined lounge and bar, and a modern, spacious open-air sundeck.

Infinity welcomes parties ranging from an intimate gathering of 25 up to 130 passengers.
