- Matt’s practice focuses primarily on the ongoing process of estate planning for clients of all ages and needs, including, the preparation of Wills, Trusts, and Powers of Attorney; planning for newlyweds and new parents; Medicaid planning; and planning and coordinating charitable giving and long-term gifting strategies. As an extension of that process Matt also assists clients with administrative issues related to Powers of Attorney, Estates, and Trusts.
- Brittany started IMPACT Digital Marketing out of her home in Trenton, Michigan. While studying at the University of Michigan, working to earn her BBA in Digital Marketing, she has started freelance marketing with small businesses throughout Michigan. As the demand for digital marketing services and her ambitions rose, the company expanded in 2014 with a larger department, allowing the company to grow in size and in services offered.
