# Branch & Facility Offerings

## YMCA OF METROPOLITAN DETROIT

The Y is a diverse organization of men, women and children joined together by a shared commitment to strengthen community through youth development, healthy living and social responsibility. Since no two communities are exactly alike, no two Ys are exactly alike. We bring men, women and children—just like you—together to nurture the potential of children and teens, improve health and well-being and foster a sense of social responsibility—so everyone has the opportunity to learn, grow and thrive.

### YMCA Camps Ohiyesa & Nissokone

The YMCA of Metropolitan Detroit has two camps providing recreation and individual growth and development opportunities for families, youth and community groups. Group work, values education and programming are designed to enhance self-esteem, to develop an appreciation of the environment, and of course, to have fun!

The 170-acre **Camp Nissokone**, on Lake Van Etten in Oscoda, Mi., is a residential camp. It borders a national forest and has modern cabins, a lodge, riding stables, water craft, theater, skate park, nature trails, climbing wall and group initiative course.

**Camp Ohiyesa** spans more than 275 acres on Fish Lake in Holly, and offers environmental education, swimming, nature trails, boating, arts and crafts, an animal sanctuary, a group initiative course, group dynamics course and has one of the area's only natural bogs.

### YMCA Education Services

The Y has a proud history of supporting schools and driving progress in education. The YMCA of Metropolitan Detroit established the YMCA Educational Services (Y-ES) as a wholly-owned and operated subsidiary in order to dedicate resources for education progress in the Metro Detroit region. YMCA Education Services is solely focused on the needs and unique learning styles of Michigan's most promising youth who live in the region's most challenged communities.

YMCA Education Services currently operates 3 schools in the city of Detroit: The Detroit Leadership Academy Elementary School, The Detroit Innovation Academy Elementary School, and the Detroit Leadership Academy High School.
